Arts & Sciences Faculty Supplemental Course Payment

The following payment plan for faculty teaching supplemental classes will be used beginning May 2017. Such classes include online, study abroad and supplemental offerings. The payment plan is based on 3-credit-hour courses, and will be scaled, as appropriate. Payment for ONLINE COURSES with fewer than the minimum number of students in the tables below can be offered with a pay rate of \$70 per credit hour. If faculty prefer to teach courses only if they meet the minimum enrollment, they need to notify the Outreach office no later than two weeks prior to the first day of class to cancel the course. ***Please note that minimum registrations are defined as those existing on the date for students to drop or add a class at no cost (the Registrar's "100% Refund, Nonrestrictive Drop/Add Deadline").***
