

COLLEGE OF
ARTS AND SCIENCES

Pre-Health Options

The **College of Arts and Sciences** provides the foundation courses to pursue a health career, so CAS degrees are those most frequently chosen for solid preparation. **Any** CAS degree, *when prerequisites are included*, can prepare students for health professional schools. These degrees are designed with health professions in mind, and some can be used by those seeking early admission to health professional schools.

Pre-Law Options

College of Arts and Sciences degrees provide a solid foundation of the top skills recommended for law schools, including reading, writing and critical thinking. The listed options are designed with law school in mind, and some can be used by those seeking early admission to law schools.

American Studies – Pre-Law
Chemistry: Pre-Health/Pre-Law
Computer Science
Economics
English: Pre-Law
French: Pre-Law
Geography

Geology: Pre-Law
German: Pre-Law
Global Studies
History: Pre-Law
Multidisciplinary Studies: Pre-Law
Mathematics: Pre-Law

Philosophy: Pre-Law
Plant Biology: Pre-Law
Political Science: Pre-Law
Psychology: Pre-Law
Sociology: Pre-Law
Spanish: Pre-Law

3+3 Law Option

3+3 Law Option—Complete CAS degree (normally 4 years) plus law degree (3 years) in just 6 years! Students complete at least 90 hours in a designated Pre-Law preparatory program, are admitted to an accredited law school, are awarded the appropriate baccalaureate degree upon the successful completion, and transfer back of up to 30 semester credit hours in law school courses applicable to the OSU degree. This degree path may be pursued at any law school offering early admission, but arrangements are in place with all Oklahoma law schools:

Oklahoma City University School of Law (90 hours)

University of Tulsa College of Law (90 hours)

University of Oklahoma College of Law (98 hours)
